

All participants in campus events shall comply with any request by an EHS representative to inspect their tables or booths to ensure compliance with regulations. Refer to the Fire and Electrical Safety requirements within the Food and Beverages section for any heating or cooking operations.

Fire and Life Safety requirements include, but are not limited to, the following:

1. A minimum of 20 feet clearance is required for fire lanes.
2. A minimum 3 feet radius is required around fire hydrants.
3. Exit locations are required for events that are fenced and/or locations within tents or canopies.
4. Each table or booth where an open flame is located shall have a class “ABC” fire extinguisher within 10 feet of the flames at all times.
5. Any material used as a structural cover (tent or canopy) shall be composed of flame-resistant material or shall be treated with a flame retardant in an approved manner.
6. An open flame shall not be located closer than 10 feet from any combustible materials.
7. Electrical cords are not to be located in the main paths of travel and are to be taped to the ground, covered, or elevated to a height of at least seven feet so they are not tripping hazards.
8. Extension cords shall be UL approved, heavy-duty, and 3-pronged grounded type.
9. Extension cords shall be plugged directly into an approved receptacle for the booth.
10. Extension cords shall be grounded when servicing grounded portable equipment.
11. Cords and circuits shall not be overloaded with excessive equipment. Unless an approved multi-plug extension

cord is used, extension cords shall serve only one portable piece of equipment.

For more information on Fire and Life Safety, contact EHS at (619) 594-6778.

Fireworks

Fireworks are prohibited unless a permit has been obtained from the Office of the State Fire Marshal. Requests to use fireworks shall be directed to EHS at (619) 594-6778. All requests shall be made at least 21 days prior to the date of the event.

Harassment and Abusive Behavior

1. Officially recognized organizations may not engage in any organizational activities involving sexually abusive behavior (whether verbal or physical) or behavior that is lewd, indecent, or obscene.
2. Officially recognized organizations may not engage in any organizational activities involving physical or verbal behavior that make persons the subject of harassment, intimidation, or hostility because of their race, religion, color, ethnicity, citizenship, gender, gender identity disability, sexual orientation, or national origin.
3. Officially recognized organizations shall not engage in any physical abuse of the person or property of any member of the campus community nor may organization members threaten such physical abuse.

Hazing and Initiation

Joining an officially recognized organization should be a positive experience. New member activities and initiation rituals should focus upon the positive aspects of both the organization and the individual. Abusive behavior toward, or hazing of, a member of the campus community is forbidden.
