The maximum sound level is to be 90 decibels. The sponsoring organization and/or the University Police are responsible for maintaining allowable sound levels.

Demonstrations, Picketing and Rallies

Groups planning a demonstration, picket or rally should contact the Campus Scheduling Office or the appropriate scheduling office to familiarize themselves with University policies governing the activity. Demonstrations, picketing or rallies must be scheduled in the appropriate scheduling office. Anyone requesting to demonstrate, picket or rally must give prior notice of five (5) working days to the University Police. Such activities are not permitted inside any campus building. Bonfires require additional clearance from the scheduling office, the Department of Facilities Management, the Department of Public Safety, and the Cincinnati Fire Department.

Disruptive Conduct

If classes or administrative functions of the University are being disrupted, the persons creating or inducing the disturbance, once notified by University Police, or the appropriate scheduling office, must bring their activities to a non-disruptive level. If the disruption continues, the University Police may require the crowd to disperse and/or speaker to terminate the program or activity.
