3. Campus Event Security Policy Statement

It is a policy of Elizabeth City State University to support student organizations and other members of the ECSU community in the presentation of events which further the educational mission of the University, provide opportunity for social growth and cultural understanding, and serve the recreational needs of the campus community.

The office of Student Life and University Police Staff are charged with the responsibility for reviewing all events held to assure that they do not represent an unreasonable risk to participants, other members of the campus community, or University property. Accordingly, the review will determine the risk involved and liability incurred, and whether under what conditions it is appropriate to hold the event on campus. If the event is appropriate for the campus, a level of security will be established that assures the safety of people and the security of the property.

4. Policy on Designated Areas for Unplanned “Free Speech” Events

Freedom of speech is one of the most cherished traditions of the academic community. A community of scholars cannot pursue truth without the ability to publish critical information. One of the most important responsibilities of the University is to protect the right of expression in a manner that does not infringe upon the rights of others to pursue their studies or work. In guaranteeing free speech, the administration’s obligation is to provide reasonable regulations of time, place, and manner, so that disruption of normal educational activities is avoided.
