Reason(s) for Referral to Student Affairs Committee: To provide the student with academic guidance regarding performance expectations for advancing in the teacher preparation program.

I agree to the following conditions for my continued enrollment in the teacher education program:

1. I agree to attend the National Coalition Building Institute training on September 24, 2005. Contact Jeff Guilkey, Office of the Vice President for Equity and Diversity, 335-8888, French Ad. 134.
2. I agree to complete two assignments, the details of which will be determined by faculty, for the purpose of assuring the department of my fitness to engage in the advanced practicum in an elementary classroom setting (K-8).
3. Based on the fact that I believe I may have a hearing impairment, I will seek reasonable accommodation for any disability or disabilities in a timely manner by contacting the Speech and Hearing Clinic or Student Health on the WSU campus, or a private service provider for testing. Reasonable accommodation shall not occur on a piecemeal basis with individual instructors but shall be pursued through documentation of the assessment provided by one of the above providers to the Disability Resource Center, Ad Annex 205, 335-1586. I understand that I am responsible for providing such documentation to and for keeping in contact with the Disability Resource Center regarding my disability or disabilities. Some reasonable accommodation issues arise unexpectedly. As such, I shall seek reasonable accommodation/assistance for such issues by contacting the Disability Resource Center as soon as such an issue appears.
4. I understand that I will be evaluated upon my ability to act in accordance with Performance-Based Pedagogy Assessment (PPA) and Professional Dispositions Evaluation (PDE) criteria. (See attached). Any conduct that evidences disrespect toward others or an inability to succeed in the two assignments shall be sufficient reason for added university supervision/observation during the advanced practicum. I understand that such added university supervision/observation will require a change in placement to a school in the Tri Cities area.

I accept these conditions as final. If I do not meet the conditions outlined above, my enrollment in the teacher education program will be terminated. Further, I understand that referral by faculty to Student Affairs subsequent to this date for reasons including and/or in addition to the above may be cause for dismissal from the teacher education program.
