Assistant Directors

The Southern Miss campus is divided into three areas with a full-time professional assistant director overseeing each area. Assistant directors are responsible for all staff members and hall functions within their areas. Each assistant director may be reached at his/her office between the hours of 9 a.m. and 5 p.m., Monday through Friday. One professional staff member is available 24 hours per day, seven days a week for emergency situations. This staff member may be contacted via the hall staff.
