

## 2.3 Residence Life Custodial Care Policy

1. In the event that a student requires transportation to a medical center, treatment center, correctional facility or abode, residence life staff will contact University Police or AAA Ambulance for the purpose of transporting the student.
2. In the event that a student is transported, whether voluntarily or involuntarily a medical center, treatment center, or correctional center, the following will be required for the student to be readmitted to their residence hall:
  - a. Provide a release form signed by the attending authority.
  - b. Share the outcomes of any review or treatment with the Hall Director or Assistant Director on duty. This should include documentation indicating no further treatment/requirements of documentation that there will be ongoing treatment requirements and a description of such.
  - c. Provide a copy of the release given to attending authority indicating they have permission to release information regarding the student's status to Residence Life professional staff.
  - d. Residence Life reserves the right to deny readmission to a student based on several key issues such as timing of the request, the possible impact of re-admittance upon the living and learning environment, and information provided through the physician's release, to name a few.

## 2.4 Study/Quiet Hours

All persons who are present in the residence halls between the hours of 11 p.m. and 8 a.m. will be expected to observe quiet hours. Reasonable quiet is expected at all times and is strictly enforced. It is your right, as well as your responsibility, to let offenders know if their activities are in violation of quiet hours. Stereos, radios, TVs, and all conversations must be kept at levels that will not interfere with the study or sleep of other students. The playing of musical instruments is prohibited in

the residence halls. Practice rooms for playing musical instruments are available in the PAC building. The use of stereos, radios, and other amplifiable equipment is a privilege. This privilege may be revoked when this equipment is used in such a way as to interfere with maintenance of quiet and
