Passport FAQs

[How does the Passport work?](#)

The Passport is your schedule to all Fall Orientation events on and off campus. In the front of your Passport there is a place to accept stamps. Stamps will be given at the end of designated Passport events. When you get all of your stamps at the end of the week simply tear out your stamped page, write your name and contact information on it and bring it to the Office of Student Development by September 5. At 5 p.m. on September 5 we will have a drawing for 10 winners. Prizes include bookstore gift cards, Stockton shirts, and much more!

[Where do I get my Passport?](#)

Residential students get their Passports at Housing Check-In, August 29. Commuter students pick up their Passports the same day in Upper G-Wing.

[Why should I be concerned about getting my Passport stamped?](#)

First, get your Passport stamped in order to win great prizes. Second, Passport events are geared toward helping you get accustomed to the Stockton campus. It allows you to meet new people, learn about your surroundings, and prepare you for your first day of classes.
