

## 2. Student Rights and Responsibilities

### F. Rules of Conduct

These conduct rules shall apply to all undergraduate students, graduate students, and student organizations of the University and its regional campuses and shall be deemed a part of the terms and conditions of admission and enrollment of all students.

Failure to comply with duly established laws or University regulations may subject violator(s) to appropriate civil authorities. Violations of University regulations shall be recorded in the disciplinary file of the individual(s) and/or the organization.

Generally, authority necessary to enforce regulations is vested in the Vice President for Student Development and Enrollment Services or designee. Selected functions of this authority are shared with faculty, staff and students. Some functions of student conduct administration are assisted through review boards or councils.

Students and student organizations are also subject to University disciplinary sanctions for the violation of a University rule or a federal, state, county, or city law, which has an adverse impact on the University.

The following defined and described actions include, but are not limited to, conduct for which disciplinary action may be taken. These rules apply to all students for conduct that occurs against other students or non-students on University premises, while participating in University sponsored or related activities, during school sessions, during holidays, and during periods of continuous enrollment, or off-campus when that conduct is determined to adversely affect the interest(s) of any part of the University.
