GROUND AND FACILITY USE POLICY

SLT 10.4

POLICY STATEMENT

I. Pursuant to Article VIII of the Michigan Constitution of 1963, Grand Valley State University ("the University") has the responsibility to serve as a public institution of higher education. To carry out this Constitutional mandate, the University owns and/or controls property and facilities. The University has established the following grounds and facility use policy to ensure the University's educational mission is actualized, while allowing for the exchange of ideas.

This policy applies to all buildings, grounds, and other spaces owned or controlled by the University.

For purposes of this policy, the term "Expressive Activity" includes:

1. Meetings and other group activities of students and student organizations;
2. Speeches, performances, demonstrations, rallies, vigils, and other events by students, student organizations, and outside groups invited by student organizations;
3. Distributions of literature, such as leafleting and pamphleting; and
4. Any other expression protected by the First Amendment to the U.S. Constitution.

University property is primarily dedicated to academic, student life and administrative functions. But it also represents the "marketplace of ideas," and especially for students, many areas of campus represent a public forum for speech and other Expressive Activities. For students and registered student organizations, certain areas of campus are venues for free expression, including speeches, demonstrations, and the distribution of literature, as provided by this policy.

The University shall not consider the content or viewpoint of the Expressive Activity or the possible reaction to that Expressive Activity in applying this policy. The University shall not impose restrictions on students, student organizations, or university employees due to the content or viewpoint of their Expressive Activity or the possible reaction to that Expressive Activity. In the event that other persons react negatively to a student's, registered student organization's, or university employee's Expressive Activity, the University (including representatives from the Department of Public Safety) shall take all necessary steps to ensure public safety while allowing the Expressive Activity to continue, unless the University's operations are materially and substantially disrupted.

No Expressive Activity shall be permitted to violate or hinder the rights of others within the campus community.

The University does not assume any obligation or responsibility for the content of the materials distributed.
