Dear Ms. 

I wanted to write concerning the recent problem you experienced after reserving space at the Women's Center for a Duke Students for Life event during pro-life awareness week on campus. First, I am so sorry that your event was cancelled due to actions by Women's Center staff. Mistakes were certainly made that should not have occurred. I have taken steps to ensure that such an incident will not happen again.

The Women's Center is indeed intended to be a place that supports the agency and choices of all women, so I hope that you will continue to use the Women's Center facilities as well as services and the programs that the Women's Center sponsors on campus.

Sincerely,

Ada Gregory
Director
