Subject: Recent Cancellation
To: [REDACTED]

Thank you for your correspondence.

Duke University supports and encourages open discussion and debate on the issues of our time. We strive to create an atmosphere on campus conducive to this goal.

We apologize for canceling the Duke Students for Life event scheduled to take place in the Women's Center. All Duke student groups are welcome to use the Women's Center reservable space under established guidelines. The cancellation was a mistake on our part, and we are taking steps to ensure such an incident does not happen again.

Sincerely,
Larry Moneta
Vice President for Student Affairs
