

GENERAL BULLETIN BOARDS

Posting Guidelines

Students, campus-affiliated organizations, and faculty and staff of the university may post signs on bulletin boards and kiosks designated as "general bulletin boards." Approval is not required.

- Signs, posters, brochures, announcements and notices are not to exceed 11 x 17 inches. Larger posters must be approved by Student Life and Leadership Programs.
- Only signs announcing and promoting university events, activities and programs are permitted. All other postings are subject to removal. Events must be open to the public to be eligible for posting.
- All postings announcing a university event must contain the following statement concerning accessibility: "Individuals that require accommodations for this event please contact Accessibility Services by *[10 business days prior to event date]*. email: as@csueastbay.edu | phone: 510-885-3868."
- Signs, advertisements and announcements must be identified with the name of the individual or organization responsible for the event, activity or program. Otherwise, the posting is subject to removal.
- Postings must be maintained by the sponsoring group(s) and may not cover or block previously approved/authorized posted materials. Any postings that are not removed within the stated time after the last date of an event may be removed by an authorized university representative.
- Signs may not be posted more than 14 days prior to the event and must be removed no later than three days following the event.
- Duplicate signs on the same bulletin boards are subject to removal.
- Signs shall be posted by thumbtacks or staples only. Campus-affiliated organizations may be charged for cost incurred by the removal of signs or repair to university property due to improper postings.
- Signs written in a language other than English must contain an English translation.
- Removal of signs, other than by the posting party or university personnel acting pursuant to their duties, is prohibited.
