**Re: Dr. Jammie Price**

Dear Mr. Carey:

Our firm has been retained to assist Dr. Jammie Price with respect to the recent issues she has faced at Appalachian State University. Please accept this letter, along with the attachments as her response to your letter to her dated March 16, 2012.

I hope that this letter will assist you in concluding that Dr. Price has done nothing other than consistently striving to educate her students in the field of sociology, as is her duty at your University. Please feel free to contact me if you have any further questions or concerns.

Thank you for your time in this matter.

Sincerely,

Alison L. Maddux
