Introduction

Welcome to Wright State University! Thank you for choosing to live on campus! This document is a tool for you to utilize during your time living with the Department of Residence Life & Housing. It provides guidelines on a myriad of topics and should help you navigate the Do's and Don'ts of campus living. This document is comprehensive, but it is impossible to cover each and every concern you may have in one document. Because of this, Residence Life & Housing encourages you to reach out to the staff in your community for assistance.

Please take the time to review these policies so that you will know the behavior that is expected from students living on campus housing at Wright State University.

Alcohol

- A. Wright State University Residence Life and Housing prohibits the use of alcohol by anyone under the age of 21. This prohibition is consistent with federal, state, local, and university regulations. Residence Life and Housing will enforce all federal, state, and local laws relative to the consumption of alcohol. The Ohio Revised Code states "... no person under the age of 21 years of age shall order, pay for, share the cost of, or attempt to purchase any beer or intoxicating liquor, or consume any beer or intoxicating liquor, either from a sealed or unsealed container or by the glass or by the drink, or possess any beer or intoxicating liquor, in any public or private place." The complete text of state liquor law and related regulations can be found in the Ohio Revised Code.
- B. The university permits the use of alcoholic beverages in licensed university facilities and at policy-specified events. Violators will be subject to university sanctions which may include suspension from the university or referral for treatment. This policy also applies to any location where university-related activities occur or when using university vehicles, or when using private vehicles on university business. 
- C. In Multi-Room Units (Apartments)
 - a. A resident of legal drinking age may possess and consume alcohol in their personal bedroom with the door closed. If all occupants of the residential unit are of legal drinking age, alcohol may be consumed in a common space of the residential unit.
 - b. Students of legal age will be held responsible for policy violations if they do not take reasonable measures to ensure underage residents do not gain access to alcohol.
- D. In Single Room Units (Residence Halls)
 - a. A resident of legal drinking age may possess and consume alcohol in their residential unit. This resident is expected to take reasonable precautions to prevent their roommate (if underage) from accessing and

consuming alcohol stored in the room.

- b. Students of legal age will be held responsible for policy violations if they do not take reasonable measures to ensure underage residents do not gain access to alcohol.
 - E. Open containers of alcohol are not permitted in any public areas or surrounding grounds. This includes, but is not limited to: parking lots, catwalks, gazebos, Village Pavilion, etc.
 - F. Closed containers of alcohol are allowed in public areas and on surrounding grounds only if they are being transported to/from the residential unit of a legal-aged resident.
 - G. Residents are not to possess alcohol beyond an amount for reasonable, personal consumption. The reasonable, personal consumption amount is determined at the discretion of the hearing officer assigned to the conduct case.
 - H. Large-group alcohol drinking parties are not permitted in residential units. Kegs, beer bong (empty or filled in any portion), trash cans, coolers, or other large containers or quantities of alcohol are prohibited in campus housing. A large-group alcohol drinking party can be defined as “a number of people which exceeds the occupancy limit of a residential living space and/or causes a disturbance which affects the surrounding area.”
 - I. Alcohol-related paraphernalia and alcohol-related decorations including those that once served as containers for alcohol are not permitted in residential units. Collections of bottle caps, alcohol cartons, alcohol cans, beer bong, alcohol bottles, and similar paraphernalia are not permitted.
-

Automobiles/Motorcycles/Parking/Vehicles

- A. Resident vehicles must be parked in a valid parking space and must have an appropriate, valid parking pass clearly visible inside the vehicle.
 - B. Motorcycles, mopeds, and similar vehicles may be parked in the lined corners at the end of rows in the parking lot.
 - a. These vehicles may not be parked or stored inside residential units or under gazebos.
 - b. These vehicles may not be parked in lined areas next to handicap spaces or in fire lanes.
 - C. Automobile maintenance is not permitted in residential parking lots. Cars with expired tags or flat tires may be removed and stored at the owner’s expense.
 - D. Residents and their guests are expected to park in designated spaces assigned by Parking & Transportation Services.
 - E. Vehicles located in spaces with designated signage (AM spaces, Staff Spaces, 30-minute spaces) that do not meet the requirements on the signage are subject to ticketing and towing at the owner’s expense.
 - F. Vehicles are not to be parked in front of recycling bins or dumpsters at any time.
-

Beds/Bedframes

- A. Residents are not permitted to loft or alter the bed/bedframe provided by Residence Life and Housing. In addition, bed risers are also not permitted.
- B. Students may not remove mattresses from their unit and may not disassemble bed frames in any way.
- C. Waterbeds/water-filled furniture is not allowed in residential units. Students requiring waterbeds due to a medical condition may request permission for a policy waiver by contacting Housing Maintenance.
- D. Any bedframe reconfigurations must be performed by Housing Maintenance. To request a bed reconfiguration, contact Housing Maintenance. Student are not allowed to pus beds together if/when a vacancy occurs.
- E. Only residents who live in the Village may bring their own personal beds unless approved in advance by Housing Maintenance.

Bicycles

- A. Bicycles may be stored in residential units with permission of all residents in the space. They may also be stored on bike racks located outside in each residential community.
 - B. Bikes that have been chained to anything other than a bike rack – including handrails and balcony railings – may be subject to removal by the Grounds staff.
 - C. Residence Life and Housing cannot be held responsible for lost, stolen, or damaged bicycles.
 - D. Any abandoned bikes left after the spring semester are subject to removal and disposal during the summer.
-

Bullying

- A. Residence Life and Housing has a zero-tolerance approach to any and all types of bullying.
 - B. All reports of bullying will be investigated to the fullest potential. Students found responsible for bullying may be subject to current and future housing agreement cancellations among other sanctions as determined by the Community Standards and Student Conduct office.
-

Check-ins/Check-Outs

- A. Residents are expected to check in to their assigned space at their designated time and in their designated location. Room assignments are sent out ahead of Move-In, but are subject to change.
 - B. During check-in, residents will receive keys, a room condition form, and any other pertinent information. Residents are expected to complete and return all necessary room condition audit paperwork once they move in.
 - C. During check out, each resident is expected to schedule a time with their Resident Assistant to facilitate a checkout. More detailed check out procedures will be provided closer to check out time.
 - a. Residents who fail to follow the proper procedures for checking out will be subject to fines.
 - b. Failing to return keys at checkout or at the time of a contract cancellation will result in charges to replace the keys and locks.
 - c. Any damages to residential units or their furnishings will be charged to the resident(s) responsible and disciplinary action may result.
-

Cleanliness

- A. Residents are expected to maintain an acceptable standard of cleanliness and hygiene in residential units. Determination of rooms that fall above and below an acceptable standard of cleanliness is up to Residence Life and Housing Staff.
 - B. Causes for concern include, but are not limited to: foul odors, excessive debris, rotting or spoiling food/drink, excessive trash, and clutter to the point that rapid egress from the residential unit is not possible.
 - C. Fire Health and Safety checks are conducted at least twice a semester to ensure cleanliness standards are met. More information about these checks can be found in the Fire Health and Safety section of this document.
-

- F. Hosts are not to give their keys to a guest at any point.
- G. Overnight guests are not permitted to stay consecutive weekdays or consecutive weekends.

- H. This guest policy applies to all residents including those who live alone.
 - I. If a guest is asked to leave by a university official, they must comply. Failure to do so will result in police assistance.
 - J. Guests under the age of 18 must be accompanied by their legal guardian. A minor overnight guest form can be found on the Residence Life and Housing website and must be completed prior to the minor staying on campus.
 - K. Residents are expected to respectfully and politely confront their roommates if they are having problems with a roommate's guest. If this does not resolve the issue, they should contact a Resident Assistant or Community Director for assistance.
 - L. Individuals who have been banned or trespassed from campus or residential housing areas must not be hosted at any time by any residential students.
-

Harassment

- A. Harassment in any form is strictly prohibited in all residential areas. This includes, but is not limited to: verbal, written, or electronic harassment and can be sexually, ethnically, racially, religiously, or identity-based.
 - B. All reports of harassment will be investigated by the Office of Community Standards and Student Conduct.
 - C. Any resident found responsible for harassment may be subject to cancellation of current and future housing contracts in addition to university sanctions.
-

Inappropriate Behavior

- A. Inappropriate behavior is defined as “any behavior by a community member deemed unacceptable by Residence Life and Housing staff or any behavior in violation of general community standards.”
 - B. Residents who engage in inappropriate behavior may be forwarded to the Office of Community Standards and Student Conduct for disciplinary action.
-

Keys/Lockouts

- A. The duplication of keys is not permitted.
 - B. Keys are only to be in the possession of the tenant given the keys during check-in, they are not to be in the possession of anyone else at any time for any reason. This includes but is not limited to: friends, parents, guardians, family members, and significant others.
 - C. If keys are lost or not returned upon check out, the resident the keys were issued to will be billed a replacement charge.
 - D. Residents should always lock and secure their residential units.
 - E. If keys are lost or stolen, residents should contact their Resident Assistant and/or Community Director immediately so appropriate steps can be taken to ensure safety and security of the residential community.
 - F. Personal Assistants will be issued keys by the resident they assist. Residents are responsible for distributing and collecting keys to be turned in upon check-out. Residents will be billed should they fail to return keys.
 - G. Lockouts
 - a. Should a resident become locked out during the hours of 8:30 a.m.-6 p.m. Monday-Friday, they should go to the Residence Life and Housing Main Office to retrieve a spare key. Spare keys are to be returned within 2 business days of checking them out.
 - b. Should a resident become locked out during the weekend or during the hours of 7 p.m.-8:30 a.m. Monday to Friday, they should contact the RA Duty Phone in their respective community to be let into their residential unit. 
 - c. Residents will be documented during their third lockout and for any subsequent lockouts.
-

Littering/Trash Removal

- A. Trash is to be disposed of in the proper receptacles. Dumpsters and recycling bins are readily available in each residential community.
- B. Room/apartment trash must not be left outside, placed in the stairwell, or disposed of in lounge trash cans.

C. Residents who dispose of trash improperly will be subject to fines and possible disciplinary action.

Medical Transport

- A. Any resident who is transported for medical treatment by Emergency Personnel will be required to attend a Care and Concern meeting upon their return to campus to determine if any additional accommodations are needed.
 - B. The cost of transportation and any associated service charges may be charged back to the resident's Bursar account.
-

Mental Health Concerns

- A. Students demonstrating evidence of psychological distress that may pose danger to themselves or others in the community, or that may interfere with the normal functioning of the university community will be required to participate in a Health and Wellness Conference. This conference is conducted by the Office of Community Standards and Student Conduct/Counseling & Wellness Services once an administrative professional becomes aware of this distress.
 - B. Failure to participate in a Health and Wellness Conference will result in an administrator making a determination without the resident present. This determination may include removal from campus housing and/or the university at large.
 - C. Mental health concerns will be handled with the utmost care for the student experiencing distress and their information will only be shared with those who are directly able to support the student and their needs.
-

Pets

- A. Pets – with the exception of fish and service animals (miniature horse or canine) or approved emotional support animals – are strictly prohibited.
 - B. Visiting pets or temporary pets are not allowed in residential units at any time for any reason.
 - C. Fish Tanks up to a total capacity of 20 gallons are permitted in residential units, but may only possess fish – turtles, frogs, and any other animal other than fish may not be in the tanks at any time.
 - D. Students who have an emotional support animal must contact the Office of Disability Services and Residence Life and Housing and must provide proper and adequate documentation as outlined by these offices. Approval must be granted prior to the animal being housed in a residential unit.
 - a. Service animals are to be under the control of their handler at all times when in residential areas.
 - b. Emotional support animals are only permitted to be in the residential unit of the approved tenant and not in other residential units for any reason at any time.
 - c. Any mess or excrement created by a service animal or emotional support animal is the responsibility of the handler and is expected to be cleaned and disposed of promptly.
-

Posting/Solicitation

- A. Residential community members and residential community groups (RCA, AARC, NRHH, and Community Councils) may post/hand out materials in residential areas with permission from the appropriate Community Director.
