

III. Campus Activities

Speech and Advocacy

A. General Provisions

1. On University grounds generally open to the public, all persons may exercise the constitutionally protected rights of free expression, speech, assembly, worship, and distribution of literature incidental to the exercise of these freedoms; however, these activities must not interfere with the orderly operation of the campus and must be conducted in accordance with the campus time, place and manner regulations. (See Chapter IX for non-affiliate rules.)
2. It is the responsibility of the Chancellor to provide opportunities for the expression of a variety of viewpoints.
 - a. Persons on University property or attending an official University function assume an obligation to conduct themselves in a manner compatible with the University's function as an educational institution.
 - b. University officials may intervene should any person or group of persons interfere with the rights of invited speakers to express their ideas and to have them heard in accordance with the program format established by the sponsoring organization.
 - c. Persons who have concerns with policies governing speech and advocacy should present their point of view to the Dean of Students Office. This Office will review the case and make a recommendation to the Vice Chancellor for Student Affairs for resolution.
3. These policies and campus regulations in no way constitute prohibition of the right of any individual in the University community to hold or express political views. The University recognizes, supports and shall not abridge the constitutional rights of faculty, staff, or students to participate in the political process of supporting candidates for public office or any other political activity. If such support of candidates or issues is extended, the individual(s) must clearly indicate that the disclosure of any title or affiliation with a group is used for identification purposes only and not to represent the University or any of its offices or units.

B. Time, Place, and Manner Regulations

The time, place, and manner of exercising speech and advocacy on the campus are subject to the following regulations that provide for non-interference with University functions and reasonable protection to persons from practices that would make them involuntary audiences:

1. Grounds Open to the Public Generally

For the purpose of these regulations, "grounds open to the public generally" are defined as the outdoor areas of the campus (lawns, patios, plazas) that are adjacent to campus buildings and parking lots.

- a. In the event that the architecture of a building includes entrances with stairs or landings, no distribution may take place on the stairs or landings. (This restriction applies to all landings in front of all entrances to the Library.)
- b. All activity in these areas must be conducted in such a way that traffic is not impeded and the normal activities in classrooms and offices are not disrupted.
- c. Tables or moveable stands may not be placed in areas where passages to any entrance or walkways are blocked, where the free flow of pedestrian traffic is restricted, or where emergency fire lanes are blocked.
- d. In order to facilitate ingress and egress, all activity must be conducted 25 feet or more from any entrance/exit, parking lot, staircase, landing, or roadway.
- e. Fixed wooden tables in the area in front of the University Center as well as along the Arbor corridor are accessed on a first-come, first-served basis.
- f. Groups using moveable tables or stands at any location on the campus must register the display with Student Engagement and Leadership and comply with c. above.
- g. No flyers, announcements, or literature of any kind may be placed on automobiles (e.g., under the windshield wipers) on University property.
- h. Organizations/persons are prohibited from leaving flyers, announcements, or literature of any kind unattended on campus grounds or in classrooms, including newspaper boxes built into wooden kiosks. That is, literature may be handed to interested persons or posted appropriately in designated areas for their information, but it may not simply be left for others to pick up. (See Chapter IX - Regulations Governing Non-Affiliates for non-affiliate rules.)
- i. Tabling and distribution of publications taking place within or in front of the University housing and dining facilities must be approved by the Residential Housing Association/the community council of the representative location, or its designee.
- j. Flyers, announcements or literature of Registered Campus Organizations may be distributed through departmental mailboxes as long as the method of distribution is in keeping with departmental policy or applicable University policies. All inquiries regarding the appropriateness of distribution will be referred to the department chairperson or manager for resolution.

2. Involuntary Audiences

Persons on University property have the right to be protected from becoming part of an audience for an event or activity against their will. For example, students in a classroom or patrons in line at a food vendor would be considered involuntary audiences under this policy.

3. Reservations and Sound Amplification at Outdoor Venues

- a. Outdoor areas are generally open to the public and may be used for speech and advocacy without the use of sound amplification equipment without prior approval. Use of amplification equipment can only take place with the written approval of Student Engagement and Leadership.
- b. However, in the outdoor spaces listed below, sound amplification equipment may be used during the hours listed without prior approval. Use of amplification equipment outside of those hours in these locations can only take place with the written approval of Student Engagement and Leadership.
- c. Use of these areas by non-Affiliates may not involve the use of amplified sound without prior approval from Student Engagement and Leadership, and events hosted by registered groups and University departments will have priority.
- d. Requests for extension of amplification hours must be submitted to Student Engagement and Leadership at least five (5) days prior to the event.
- e. Sound volume must always be regulated by the sponsoring organization to avoid disturbing those in the surrounding area.

If complaints are received indicating that the amplification sound level is interfering with the operations of the campus, the responsible person(s) will be asked to lower the volume. If additional complaints occur, the person(s) in charge of the amplification equipment will be asked to turn off the sound completely. Persons refusing to comply with these time, place and manner regulations relating to the exercise of speech and advocacy shall be subject to University discipline and to law enforcement measures, as appropriate.

- f. Sound levels may not exceed ninety decibels (90 dB) at any time during the performance. Violation of the ninety decibels level can result in loss of outdoor venue scheduling privileges for up to one academic year.
- g. Music regulated by these policies includes amplified music, whether live or recorded, and certain non-amplified musical instruments including, but not limited to, brass, drums, and other percussion instruments. Reference to amplified music includes all of these kinds of music and musical instruments.

- This area is available for speech and advocacy activities without amplification at all times. However, there is to be absolutely no sound amplification or drumming in this area at any time, due to significant impacts on the UCSB Library and nearby classroom spaces.

Two types of activities can occur in the Arbor Mall.

- Individual students, faculty, and staff and recognized campus organizations may use the tables in the Arbor Mall on a first-come, first-served basis for display and distribution of information and informal gatherings. The displays must fit on the table(s) provided. Free-standing displays must be approved by Student Engagement and Leadership. Such approval will be based on safety issues, such as size of the sign, ability of the stand to withstand wind, location in relation to the fire lane, etc. Non-campus-affiliated individuals and groups may also exercise the constitutionally protected rights of free expression, speech, assembly, worship, and distribution of literature incidental to the exercise of these freedoms. Use by campus-affiliated individuals and groups will be given priority. Additionally, any non-affiliate wishing to place a free-standing display must have that display approved in advance by Student Engagement and Leadership and will be judged on the same criteria as stated above.
- The second type of activity allowed in this area is scheduled events. These events will be limited to information fairs that can include booths, tables, or large displays. - b. Advertisements, posters, and literature related to events/services/goods of off-campus persons or organizations must be approved by Student Engagement and Leadership prior to posting.
 - 1) The only area approved for the posting of non-sponsored literature is the bus loop kiosk by North Hall. Because of space limitations, only one poster per sponsor is permitted.
 - 2) Any groups wishing to have the privilege of posting elsewhere on campus may contact Student Engagement and Leadership for a list of potential campus organization sponsors; those sponsors must be clearly delineated on any posted material.

3. Posting Areas: Posters and Announcements

It is strongly recommended that boards be cut down to 4 x 4 feet (or smaller) to facilitate transport and relocation. Two 4 x 4-foot signs may be posted side by side to achieve the same effect as a single 4 x 8-foot sign.
 - 2) Staked signs cannot be closer than five feet on either side of bike paths and may not be placed in roundabouts.
 - 3) Only wood or plastic stakes can be used. Absolutely no metal stakes are permitted for posting on campus due to significant risks posed to the campus community when fallen signs are run over by industrial lawn mowers.

6. Removal of Posting Materials

- a. All material referring to a specific event or deadline is to be removed within 48 hours after the event/deadline by the sponsoring organization.
- b. All material not referring to a specific event or deadline is to be removed by the end of the quarter.

- 2. The following University services and programs are exempt from the commercial activity restriction: Campus Store; Campus Food Services; Recreation Department and University Extension programs and classes; University Housing/Dining facilities; Associated Students/Graduate Students Association programs and services; University Transportation and Parking Services; Early Childhood Care and Education Services, and others as enumerated in the [Policy on Fund Raising](#).
- a. Credit card vendors are required to abide by UCOP and UCSB guidelines regulating the on-campus marketing of credit cards to students. Refer to [PACAOS Appendix D](#):

[University of California Policy and Supplemental Guidelines on the Marketing of Credit Cards to Students.](#)

B. Fund-Raising and Sales

Registered campus organizations and student governments may use University facilities to raise funds on campus for their organization when they are in compliance with the following definitions and regulations:

1. All fund-raising events, including sales, must be approved by Student Engagement and Leadership and obtain a permit (in the case of the Graduate Students Association and Registered Campus Organizations) or by the Executive Director, Associated Students (in the case of Associated Students programs). Residence Halls Association events held in housing facilities require only Director of Housing or designee approval.
2. The funds raised using campus facilities may not be used for any illegal purposes and must be consistent with the stated purposes of the sponsoring organizations.
3. When a University facility or grounds is used for an event, the sponsoring organization shall pay and/or encumber beforehand all pre-established program costs (e.g., facility use, production costs, equipment rental fees).
4. Organizations using University facilities to raise funds must be financially accountable and operate within the following guidelines:
 - a. All funds raised must be deposited in an on-campus Student Engagement and Leadership, Associated Students, or Residence Halls Association trustee account and may be withdrawn in accordance with the original fund-raising purpose only after all the bills incurred during the event have been paid.
 - b. All contracts entered into with off-campus entertainment groups or agencies must be reviewed by a Student Engagement and Leadership advisor to assure that the facility is adequate and that the University is in no way obligated under the contract. Once reviewed, the contracts will be signed by one or more official representatives of the organization. Contracts for the Associated Students need only to be signed by the Executive Director, Associated Students. Contracts for Residence Halls Association events held in Housing facilities need only be signed by the Director of Housing or designee.
 - c. All ticket sales must be coordinated through the Associated Students Ticket Office.
 - d. The University reserves the right to investigate financial records of a campus organization that has been allowed to raise funds on campus to determine if the funds are being used for the purpose for which they were raised.
 - e. In the event that a fund-raiser loses money, the sponsoring organization remains liable for covering all costs incurred by the activity.

5. Food Sales

Food sales permitted on University properties must comply with the following stipulations:

- a. No food sales may be conducted in front of the Library or set up adjacent to any building entrance in such a way as to impede free access into the building.
- b. No independent commercial food vendor sales are permitted.
- c. Low-risk foods are defined as non-perishable, low-water-activity foods not requiring refrigeration. Items must be individually wrapped or pre-packaged; ice may be used to store drinks but no ice may be dispensed to customers. A selling permit is required from Student Engagement and Leadership and must be displayed on the seller's table at all times. Groups operating without an approved selling permit will be closed down by a representative of Student Engagement and Leadership or Environmental Health & Safety. See Student Engagement and Leadership for further details on approved food items. Only low-risk foods may be given away as part of a promotional event.
- d. All food preparation must occur in either the MultiCultural Center or Student Resource Center kitchen (no home preparation allowed) and be served in the MultiCultural Center or the Student Resource Building (though food is not required to be consumed inside the center or building, respectively).

Requests to schedule the MultiCultural Center kitchen and lounge must be submitted to the MultiCultural Center. A cleaning deposit will be required. Requests to schedule the Student Resource Building kitchen must be submitted to the Student Resource Building Information Center.

- e. Prior to the event, barbecues sponsored by Registered Campus Organizations require permitting by the Student Engagement and Leadership and the UCSB Fire Marshal or their designee. Departments wishing to sponsor a barbecue are required to contact the UCSB Fire Marshal and their designee.
- f. Food that is served free of charge at potlucks, parties, or meetings where the event is not open to the general public does not need a selling permit or prior approval. A potluck is a gathering of people for a meal where the participants are expected to bring food ready to be shared among everyone at the gathering.
- g. Campus organizations may request to sell food on campus that is prepared by a non-campus vendor. There are seven steps for obtaining approval for use of a non-campus vendor. These are:
 - 1) Select a licensed caterer. The caterer must have an appropriate county food license.
 - 2) The campus organization must obtain approval from the Executive Director of Campus Dining to make use of a proposed licensed caterer.

- 3) The campus organization must ensure that the licensed caterer has adequate insurance. Guidelines for the required insurance types and amounts are listed on [UCSB Risk Management's website](#).
- 4) The campus organization must ensure that Risk Management's "[Request for Proof of Insurance From A Caterer](#)" is filed with the Risk Management Office in Business Services. The campus organization must return the completed "Request for Proof of Insurance From A Caterer" to the Risk Management Office in Business Services at least two days in advance of the event.
- 5) The campus organization must complete a food application permit form located at the Student Life Suite at least ten days prior to the event and this form must be approved by Student Engagement and Leadership at least seven days prior to the event.
- 6) The campus organization must display the permit when selling food.
- 7) The campus organization shall have monies in their Student Engagement and Leadership trustee account sufficient to cover all catering expenses. All expenses for the caterer must be paid from this account.

Additional campus food guidelines may be found [online](#).

C. Use of the UCSB Tax ID Number

1. Registered campus organizations are not permitted to use the campus' tax identification number without explicit consent from a University official.
2. Whenever a tax identification number is required—in cases where the organization does not have its own identification number—a request to use the campus tax identification number must be submitted to SEAL, which will work in conjunction with Student Affairs Grants & Development to determine whether the situation is an appropriate use of the campus tax identification number.
3. Failure to follow these policies constitutes a violation of these *Campus Regulations* and puts the organization and its donor at risk of serious financial and legal liabilities.

Benefits and Donations (Including Scholarships)

- A. Registered campus organizations may sponsor activities, sales, and performances for the benefit of persons or off-campus organizations as long as the personal gain restriction (see General Definition) is not violated and the campus organization agrees to comply with the following stipulations:

1. The Registered Campus Organization must vote to sponsor the benefit at a publicized organizational meeting.
2. Any contract between the on- and off-campus person or organization must specify the financial terms agreed to by both parties, and the contract must be reviewed by a Student Engagement and Leadership advisor or signed by the Executive Director, Associated Students (for Associated Students-sponsored programs only). Contracts for Residential Housing Association events held in Housing facilities must be signed by the Associate Vice Chancellor of Housing, Dining & Auxiliary Enterprises or designee only.
3. All Internal Revenue Service guidelines regarding benefits and donations must be followed.
4. The publicity for the event must include the following information:

All disbursements must be consistent with the original stated purpose of the event and in compliance with contractual agreements, including the amount of donation or percentage of net profit.

Serving Alcohol at a Campus Event

- A. The use of alcohol on University property and at University-sanctioned events must be in compliance with California law. More specific campus guidelines related to the use of alcohol and other drugs may be found in the UCSB campus [Substance Use Policy and Implementing Guidelines](#).
- B. Specific implementing guidelines with information on serving and advertising alcohol may be found at the above site on pages 7 through 14. (See Appendix - UCSB Substance Use Policy for these guidelines.)
