Policy Statement Supporting Diversity and Free Speech

Committee for Campus Inclusion is an advisory group to the University Provost to promote campus-wide appreciation of diversity and respect for all individuals, while also protecting free speech and academic freedom.

Harassment

It is a violation of University policy for any University employee or student to subject any person to harassment on University property or at a University-sponsored activity.

Actions constitute harassment, if they substantially interfere with another's educational or employment opportunities, peaceful enjoyment of residence, physical security, and they are taken with a general intent to engage in the actions and with the knowledge that the actions are likely to substantially interfere with a protected interest identified in the subsection above. Such intent and knowledge may be inferred from all the circumstances.
