

## Bias Reporting

A bias-related incident is an incident that negatively targets, intimidates, or threatens an individual or group due to race, ethnicity, ancestry, national origin, religion, gender, sexual orientation, gender identity or expression, age, physical, mental, and intellectual disabilities, as well as past/present history of mental disorders.

This includes, but is not limited to, graffiti or images that harass or intimidate individuals or groups due to the above characteristics.

## University Protocols and Procedures

Speech and Civility in a University Setting

Reporting

Education

Bias incidents/graffiti/images may indicate a need for education in our community in order to remedy harm done, and to provide opportunities for reflection. These incidents are not part of the investigation process and are not intended to be punitive. Appropriate staff and faculty will work with students to plan and implement activities that are reflective of diverse learning styles, and address relevant issues.

## Land Acknowledgement

We would like to begin by acknowledging that the land on which we gather is the territory of the Mohegan, Mashantucket Pequot, Eastern Pequot, Schaghticoke, Golden Hill Paugussett and Nipmuc Peoples, who have stewarded this land through the generations. We thank them for their strength and resilience in protecting this land, and aspire to uphold our responsibilities according to their example.
