I. Purpose

The purpose of this policy is to establish guidelines relating to the Systemwide Student Conduct Code, including standards for the ways in which members of the University of Hawai'i (UH) community interact with each other in the pursuit of both academic excellence and social responsibility.

The Systemwide Student Conduct Code is neither a criminal nor a civil code and does not operate like one. UH's expectations for our fellow community members are for a significantly higher standard of conduct than the bare minimum prescribed by law; conduct that is legal may nevertheless still be unacceptable within the bounds of our UH community.

The policies set forth in this code are intended to serve primarily as an extension of UH's educational mission -- to guide students in their growth as members of the UH and broader communities.

II. Definitions

1. Registered Independent Organization (RIO) refers to a student organization, association, or club that has been formed to meet special interests of certain groups of students on campus.
2. Reporting Party refers to any person who submits an alleging that a student violated this Student Conduct Code. When a student believes that s/he has been a victim of another student's misconduct, the student who believes s/he has been a victim will have the same recourse under this Student Conduct Code as are provided to the Reporting Party, even if another member of the UH community submitted the charge.
3. Responding Party refers to any student (defined under this policy) accused of violating this Student Conduct Code.
4. Senior Student Affairs Officer means the campus administrator (i.e., dean or vice chancellor or designee) who is in charge of the division of student affairs, and generally charged by the campus Chancellor to be responsible for the administration of the Student Conduct Code.
5. Student means all persons registered in courses at UH, either full-time or part-time, pursuing undergraduate or graduate studies. In addition, for purposes of this Student Conduct Code only, this Code also applies to: (1) students who have been suspended or dismissed, students who withdraw after allegedly violating the Student Conduct Code and may return to UH, students who are on a leave of absence from UH, or students who are on medical leave; and (2) persons who (a) have been notified of their admission **and** (b) have registered or officially participated in orientation or other officially recognized UH activities.¹
6. Student Conduct Administrator means a UH official authorized on a case-by-case basis by the Senior Student Affairs Officer to impose sanctions upon any student(s) found to have violated the Student Conduct Code. The Senior Student Affairs Officer may authorize a Student Conduct Administrator to serve simultaneously as a Student Conduct Administrator and the sole member or one of the members of the Student Conduct Board. The Senior Student Affairs Officer may authorize the same Student Conduct Administrator to impose sanctions in all cases.
7. Student Conduct Board means any person or persons authorized by the Senior Student Affairs Officer to determine whether a student has violated the Student Conduct Code and to recommend sanctions that may be imposed when a rules violation has been committed.
8. UH encompasses any campus or site within the University of Hawai'i system.
9. UH community member includes any person who is a student, faculty member, UH official or any other person employed by UH. A person's status in a particular situation shall be determined by the Senior Student Affairs Officer.

10. UH official includes any person employed by UH, performing assigned administrative or professional responsibilities.
11. UH premises include all land, buildings, facilities, and other property in the possession of or owned, used, or controlled by UH (including adjacent streets and sidewalks).
12. The term "shall" is used in the imperative sense.
13. The term "may" is used in the permissive sense.

III. Executive Policy

1. Introduction

- a. The purposes of UH are to give thorough instruction, conduct research and disseminate knowledge in and of branches of advanced learning as prescribed by its Board of Regents. UH is committed to ensuring a safe, civil, learning and working environment in which the dignity of every individual is respected. All members of the UH community - students, faculty and staff - share responsibility for its growth and continued welfare.
- b. Choosing to join the UH community obligates each student to abide by this code of conduct. As members of the UH community, students accept the responsibility to become fully acquainted with UH's rules and to comply with UH's authority. UH expects students to maintain standards of personal integrity that are in harmony with the educational goals of UH; to respect the rights, privileges, and property of others; and to observe national, state, and local laws and University policies and procedures.
- c. UH views the disciplinary process as a learning experience which aims to promote growth and understanding of one's responsibilities and privileges within the UH environment. To this end, the disciplinary process attempts to balance an understanding and knowledge of students and their needs with the needs of the academic community. Pursuit of a college education provides an opportunity for exploration of new ideas, experimentation, self-examination, formation of new relationships, and development of ideals and direction. However, UH does not absolve students from accepting responsibility for their behavior in their pursuit of a college education. Rather, it reaffirms the principle of student freedom that is coupled with an acceptance of responsibility for one's actions and the consequences of such actions.

2. Student Conduct Code Authority

- a. This Student Conduct Code applies at all locations of UH, including any affiliated residence hall.
- b. The Student Conduct Administrator shall determine the composition of Student Conduct Boards and Appellate Boards and determine which Student Conduct Board, Student Conduct Administrator and Appellate Board shall be authorized to hear each matter.
- c. The Senior Student Affairs Officer shall develop policies for the administration of the student conduct system and procedural rules for the conduct of Student Conduct Board Hearings that are not inconsistent with provisions of the Student Conduct Code.
- d. Decisions made by a Student Conduct Board and/or Student Conduct Administrator shall be final, pending the appeal process.
- e. At the Student Conduct Board Hearing and for purposes of any appeal, the technical rules of evidence applicable to civil and criminal cases shall not apply.

IV. Proscribed Conduct

Plagiarism is also an act of academic dishonesty and includes, but is not limited to, the use, by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgement. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials.

- c. Any conduct that threatens or endangers the health or safety of any person including but not limited to, physical abuse, verbal abuse, threats, intimidation, harassment, bullying, coercion, stalking as defined below. Additionally, UH prohibits and does not tolerate retaliation as defined in [EP 1.204](#)

3. Violation of Law and UH Discipline

- a. UH disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and this Student Conduct Code (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Student Conduct Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings at the discretion of the Senior Student Affairs Officer. Determinations made or sanctions imposed under this Student Conduct Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of University rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.
- b. When a student is charged by federal, state, or local authorities with a violation of law, UH will not request or agree to special consideration for that individual because of their status as a student. If the alleged offense is also being processed under the Student Conduct Code, UH may advise off-campus authorities of the existence of the Student Conduct Code and of how such matters are typically handled within the UH community. UH may cooperate with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators (provided that the conditions do not conflict with campus rules or sanctions). In the event of law enforcement and/or government agency enforcement of laws and regulations, UH may, as appropriate, adjust any Student Conduct Code investigation and/or proceeding so as not to interfere or unduly prejudice the law enforcement process. Individual students and other members of the UH community, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

V. Delegation of Authority

Authority to hear and decide on whether or not alleged violations of the Student Conduct Code have occurred as well as to determine subsequent disciplinary sanctions is delegated to senior student affairs officers, student conduct

officers, or student conduct boards as described in this policy.

COVID-19 & Student Conduct Code Appendix

Appendix I: Student Infectious Disease Mitigation in Response to COVID-19

Purpose:

Purpose of this addendum, is to make clear during the COVID-19 pandemic how health and safety requirements, including those incorporated in the [University of Hawai'i COVID-19 Guidelines \(Interim\)](#) are incorporated into EP 7.208.

Background:

The mission of the 10 campus system, as the state's only public institution of higher education, is to provide environments in which faculty, staff and students can discover, examine critically, preserve and transmit the knowledge, wisdom, and values that will help ensure the survival of present and future generations with improvement in the quality of life. In carrying out that mission, it is the basic purpose of the university to afford all qualified people in Hawai'i an equal opportunity for quality college and university education at both undergraduate and graduate levels.

In fulfilling that mission during the COVID-19 pandemic, the UH's top priority is the health and safety of its students and employees as we face the myriad of challenges caused by COVID-19. As members of the UH 'ohana, we have obligations to ourselves and to each other to abide by health and safety requirements and guidelines established by federal, State, county and the University relating to COVID-19. Because of the imposing nature of the health and safety requirements during a pandemic, this addendum is deemed necessary to make clear the University's expectations and requirements, and the consequences of failure to meet those requirements.

COVID-19 Expectations:

The University of Hawai'i has established expectations for students, staff, faculty and visitors interacting on campuses related to the COVID-19 pandemic and public health concerns. These guidelines are available here: <https://www.hawaii.edu/covid-19-guidelines/>. Additionally, individual University of Hawai'i campuses have established additional guidelines to further communicate measures and expectations of those interacting on campus:

Established institutional Student Conduct Code procedures will be administered for all alleged violations before students are denied any educational opportunity, including attending classes or living on campus, afforded to them as a University of Hawai'i student. Due to the severity of public health risk, students in violation may be asked to be removed from the class, building/office, or campus immediately.

Violations may include, but are not limited to:

Sanctions:

Pursuant to EP 7.208, sanctions, as defined by the Student Conduct Code procedures, may be issued upon a student found responsible for violating the rules and standards contained within the Student Conduct Code and are intended to be primarily educational in nature. Student Conduct Administrator reserves the discretion to impose sanctions commensurate with the violations found to have occurred, up to and including expulsion. Repeat violations of the Student Conduct Code will be subject to progressive discipline.

Once a student has been found responsible for violating the Student Conduct Code, the Student Conduct Administrator will use all information available, including but not limited to: prior violations of the Student Conduct Code (if any), community service involvement, and/or employment to determine (an) appropriate sanction(s). Specifically, with respect to this Addendum, the Student Conduct Administrator will consider facts relevant to the student's level of disregard for the student's own health and safety, as well as for the health and safety of others.

¹Please note that other policies may apply a different definition of "student," such as UH's Administrative Procedure, [AP 7.022](http://www.hawaii.edu/policy/ap7.022), Procedures Relating to Protection of the Educational Rights and Privacy of Students, available at <http://www.hawaii.edu/policy/ap7.022>.
