Dear Lindsie,

Thank you for your communication regarding recent discussions involving CWU student media. The S&A Fee Committee is in agreement regarding any concerns of viewpoint-discriminatory and retaliatory actions taken against any protected speech or expression. The S&A Fee Committee does stand firmly behind the commitment to uphold all protected speech and expression. As the committee discussed in response to a public comment on the subject, the particular content of funded programs or services is outside the scope of authority of the committee. The S&A Fee Committee takes their roles as stewards of student money very seriously and will continue to remain vigilant in their role as a recommending budgetary body regarding student services and activities fee allocations.

Sincerely,

Brandon Wear-Grimm
S&A Committee Chair
