Subject: Resolution of Zubieta Case

Good morning LaVonda and Sheila,

First off, allow me to thank you for your graciousness and patience with me and for reassuring me that I will continue to be a welcome member of the faculty. That said, I have decided to attend the Transformative Hot Moments on Feb. 24, March 1 and March 11. It is my understanding that with this commitment the case is resolved and I can pursue my regular duties and activities.

Thank you so much for a most positive interaction with you folks.

Sincerely,

Jon Z

Good morning, Jon.

Thank you for your email and for sharing your decision. My office will make sure you are registered for each of these sessions. Please be on the lookout for calendar invitations and links to the Zoom meetings. Additionally, thank you for your continued engagement and participation in these learning opportunities with other of our faculty colleagues.

Sincerely,
LaVonda
