Re: Mr. Lohr

Dear Mr. Greenberg:

Dr. Sands referred your letter of December 7, 2021 to this office for review and response.

As you indicate in your letter, Virginia Tech has a different view of the behavior exhibited by Mr. Lohr. Please know that Virginia Polytechnic Institute and State University takes its obligations under the First Amendment seriously while at the same time addressing behavior that interferes with others' participation in the enjoyment of athletic events.

Per Mr. Lohr's release and consistent with Virginia Tech practice, Mr. Lohr's educational records have been forwarded to him under separate cover.

Sincerely,

A handwritten signature in blue ink that reads 'Kay Heidbreder'.

Kay Heidbreder
