Dear Aaron Terr:

Your February 17, 2022 letter has been forwarded to me for response on behalf of CSUCI. The matters referenced in your letter are part of an ongoing dispute with the Morriszes. They have made numerous claims over the years in a number of avenues. They recently filed new claims alleging the same issues. While we disagree with the characterization of events and actions summarized in your letter as well as in their claims, those allegations are being addressed through those channels. We are well aware of the laws regarding civility and can assure you that no disciplinary action has been taken, nor would any be taken against any student except within the legally appropriate bounds of the CSU Student Conduct Code.

Sincerely,

A handwritten signature in blue ink that reads 'Laurie Nichols'.
