Re: Student

Dear Mr. Greenberg:

Thank you for your letter to Northern Michigan University ("NMU") dated April 28, 2022. Our firm represents NMU as its general counsel. NMU has been and remains committed to the protection of free speech, which is affirmed daily through its policies and actions.

We appreciate your recognition that NMU may have additional information, which appears to be an accurate assessment based on some of the assertions in your letter, however, we must decline your invitation to share it with you at this time given the matter is still under review and is proceeding through the student code process. We also note the student has expressly denied the existence of "an attorney-client relationship with FIRE." We can confirm the temporary suspension was modified by agreement with the student and has little or no effect.

Consistent with the student's request, NMU is compiling the records he requested and will send them directly to him.

Sincerely,

Miller, Canfield, Paddock and Stone, P.L.C.
