Re: FIRE Letter to Southern New Hampshire University

Dear Attorney Rank:

Thank you for your recent correspondence.

Southern New Hampshire University (SNHU) seeks to promote and facilitate the exchange of innovative and diverse ideas, and we welcome speakers with a broad range of viewpoints and backgrounds to foster a diverse and rich educational experience for members of the University Community.

We are confident that our policies for speakers and political events on campus are compliant with both state and federal laws and allow for the free flow of information and ideas.

Very truly yours,
