Dear Mr. Terr,

In response to your e-mail to Chancellor Plowman, the University has no diversity initiatives that violate the First Amendment rights and academic freedom of prospective and current faculty. While we appreciate FIRE's interest in this area, we are not aware of expressions of concern about these issues from any prospective or current faculty member.

Matthew Scoggins

Chief of Staff

Office of the Chancellor

829 Andy Holt Tower

1331 Circle Park Drive

Knoxville, Tennessee 37996
