## STATEMENT OF POLICY

Purdue University is committed to maintaining an environment that recognizes the inherent worth and dignity of every person; fosters tolerance, sensitivity, understanding and mutual respect; and encourages its members to strive to reach their potential. The most effective way to work toward preventing Harassment is through education that emphasizes respect for every individual.

It is essential that Purdue University demonstrate its intellectual and ethical leadership by reaffirming its strong position against Harassment in all forms. All members of the University community must be able to pursue their goals, educational needs and working lives without intimidation or injury generated by intolerance and Harassment.

Harassment in the workplace or the educational environment is unacceptable conduct and will not be tolerated. Purdue University is committed to maintaining an educational and work climate for faculty, staff and students that is positive and free from all forms of Harassment. This policy addresses Harassment in all forms, including Harassment toward individuals for reasons of race, religion, color, sex, age, national origin or ancestry, genetic information, disability, status as a veteran, marital status, parental status, sexual

orientation, gender identity and/or gender expression. The University will not tolerate Harassment of its faculty, staff or students by persons conducting business with or visiting the University, even though such persons are not directly affiliated with the University.

## **Reporting and Addressing Harassment**

This policy seeks to encourage faculty, staff and students to report and address incidents of Harassment. The **Procedures for Resolving Complaints of Discrimination and Harassment (<https://www.purdue.edu/ethics/resources/resolving-complaints.html>)**, as issued and updated from time to time by the Vice President for Ethics and Compliance, describe the necessary steps for filing complaints of Harassment.

Retaliation against faculty members, staff members or students for reporting or complaining of Harassment, for assisting or participating in the investigation of a complaint of Harassment, or for enforcing this policy is strictly prohibited.

The University reserves the right to investigate circumstances that may involve Harassment in situations where no complaint, formal or informal, has been filed. In appropriate circumstances, sanctions in accordance with this policy will be implemented where the University has initiated an investigation in the absence of a formal or informal complaint.

To determine whether a particular act or course of conduct constitutes Harassment under this policy, the alleged behavior will be evaluated by considering the totality of the particular circumstances, including the nature, frequency, intensity, location, context and duration of the questioned behavior. Although repeated incidents generally create a stronger claim of Harassment, a serious incident, even if isolated, can be sufficient.

## **Academic Freedom and Freedom of Speech**

Freedom of thought and expression are the lifeblood of our academic community and require an atmosphere of mutual respect among diverse persons, groups and ideas. The maintenance of mutually respectful behavior is a precondition for the vigorous exchange of ideas, and it is the policy of the University to promote such behavior in all forms of

expression and conduct. The University reaffirms its commitment to freedom of speech as guaranteed by the First Amendment to the United States Constitution. Accordingly, any form of speech or conduct that is protected by the First Amendment is not subject to this policy. The University reaffirms its commitment to academic freedom, which is essential to its educational mission and is critical to diversity and intellectual life.

## **Violations of Policy and Sanctions**

Any individual or group of individuals found to have violated this policy will be subject to disciplinary and/or remedial action, up to and including termination of employment or expulsion from the University. Faculty and staff who are determined to have violated this policy also may be held personally liable for any damages, settlement costs or expenses, including attorney fees incurred by the University.

The University strongly encourages students to report instances of Sexual Violence or Sexual Exploitation. Therefore, students who provide information regarding Sexual Violence or Sexual Exploitation will not be disciplined by the University for any violation of the Regulations Governing Student Conduct relating to drug or alcohol possession or consumption in which they might have engaged in connection with the reported incident of possible Sexual Violence or Sexual Exploitation.

## **False Allegations, Statements and Evidence**

This policy may not be used to bring charges against any faculty, staff, students or Recognized Student Organizations, including fraternities, sororities and/or cooperatives, in bad faith. Disciplinary action will be taken against any person or group found to have brought a charge of Harassment in bad faith or any person who, in bad faith, is found to have encouraged another person or group to bring such a charge. In addition, individuals who, in bad faith, provide false statements or evidence, or who deliberately mislead a University official conducting an investigation under this policy may be subject to discipline under this policy or another University policy or process.

## **Retaliation Prohibited**

The University prohibits Retaliation against any individual for the purpose of interfering with any right or privilege secured by this policy, or because the individual has made a report or complaint, testified, assisted, or participated an investigation or proceeding under this policy.

## **Education and Prevention**

The University offers education and primary prevention, risk reduction and awareness programs for students, faculty and staff concerning Sexual Harassment, Sexual Violence, Sexual Exploitation, Relationship Violence and Stalking.

## **Coordination with Other University Policies**

This policy augments, but does not supersede, other University policies covering discrimination. Although Harassment as described and prohibited by this policy includes a wide range of behavior, it does not include certain discriminatory conduct, even though that conduct may be otherwise unlawful, offensive or prohibited by other University policies.

## **REASON FOR THIS POLICY**

This policy is designed to prevent and sanction incidents of Harassment within the Purdue University community. The University believes that Harassment, which is a form of discrimination, is repugnant and inimical to our most basic values.

As a land-grant university, Purdue University is committed to the principles of equal opportunity in education and employment. We take seriously our responsibility to provide leadership in ensuring that equal opportunity is the norm rather than an aspiration.

This policy helps to promote this commitment through compliance with both state and federal laws and regulations, including but not limited to:

- Age Discrimination in Employment Act of 1967

- Americans with Disabilities Act of 1990, as amended

## **DEFINITIONS**

All defined terms are capitalized throughout the document. Refer to the central **Policy Glossary** ([./glossary.html](https://www.purdue.edu/ethics/resources/resolving-complaints.html)) for additional defined terms.

### **Consent/Consensual**

Affirmative, clear communication given by words or actions that shows an active, knowing and voluntary agreement to engage in mutually agreed-upon sexual activity. Consent is given freely and voluntarily. Consent may not be inferred from silence, passivity or when an individual is Incapacitated or otherwise prevented from giving Consent as a result of impairment due to a mental or physical condition or age. No Consent exists when there is a threat of force or physical or psychological violence.

Although Consent may be given initially, it may be withdrawn at any point without regard to activity preceding the withdrawal of Consent.

The voluntary nature of Consent will be subject to heightened scrutiny in circumstances where someone who has power or authority within the University over another person engages in a sexual relationship with that person.

## **Harassment**

Conduct towards another person or identifiable group of persons that is so severe, pervasive or objectively offensive that it has the purpose or effect of:

1. Creating an intimidating or hostile educational environment, work environment or environment for participation in a University program or activity;
2. Unreasonably interfering with a person's educational environment, work environment or environment for participation in a University program or activity; or
3. Unreasonably affecting a person's educational or work opportunities or participation in a University program or activity.

Use of the term Harassment includes all forms of harassment, including Stalking, Racial Harassment and Sexual Harassment.

## **Incapacitated/Incapacitation**

A mental state in which an individual cannot make rational decisions because they lack the capacity to give knowing Consent (e.g., to understand the who, what, where, why and how of their sexual interaction). Such Incapacitation may be caused by alcohol or other drug use, sleep or unconsciousness. Intoxication is not equivalent to Incapacitation.

## **Mandatory Reporters**

Individuals employed by the University who hold a title of or equivalent to President, Chancellor, vice president, vice chancellor, vice provost, dean, department head and director, as well as all employees in supervisory or management roles, and other staff who have authority and responsibility to initiate corrective measures on behalf of the University.

## **Racial Harassment**

Conduct that demonstrates hostility towards another person (or identifiable group of persons) on the basis of race, color, national origin or ancestry and is so severe, pervasive or objectively offensive that it has the purpose or effect of:

1. Creating an intimidating or hostile educational environment, work environment or environment for participation in a University program or activity;
2. Unreasonably interfering with a person's educational environment, work environment or environment for participation in a University program or activity; or
3. Unreasonably affecting a person's educational or work opportunities or participation in a University program or activity.

The University is strongly committed to providing a safe and Harassment-free environment for members of those groups that have historically been, and are still likely to be, at greatest risk of Harassment for reasons of prejudice.

### **Relationship Violence**

Any physical, sexual and/or psychological harm against an individual by a current or former intimate or romantic partner. Intimate or romantic partners may be dating, cohabitating, married, separated or divorced, and may be of the same or opposite sex.

### **Retaliation**

Any overt or covert act of reprisal, interference, restraint, penalty, discrimination, intimidation or Harassment against any person or group for reporting or complaining of discrimination and/or Harassment, assisting or participating in the investigation of a complaint of discrimination and/or Harassment, or enforcing University policies with respect to discrimination and/or Harassment.

### **Sexual Exploitation**

An act that exploits someone sexually. Examples of Sexual Exploitation include, but are not limited to:

- Exposing one's own or another person's intimate parts without Consent.
- Recording video or audio of, photographing, or disseminating or transmitting intimate or sexual utterances, sounds or images without Consent of all parties involved.
- Allowing others to view sexual acts (whether in person, through electronic means, or via a video camera or other recording device) without the Consent of all parties involved.
- Engaging in any form of voyeurism.

## **Sexual Harassment**

- A. Any act of Sexual Violence.
- B. Any act of Sexual Exploitation.
- C. Any unwelcome sexual advance, request for sexual favors or other written, verbal or physical conduct of a sexual nature when:
  - 1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, education or participation in a University program or activity;
  - 2. Submission to, or rejection of, such conduct by an individual is used as the basis for, or a factor in, decisions affecting that individual's employment, education or participation in a University program or activity; or
  - 3. Such conduct has the purpose or effect of unreasonably interfering with an individual's employment or academic performance or creating an intimidating, offensive or hostile environment for that individual's employment, education or participation in a University program or activity.

## **Sexual Violence**

Any non-Consensual sexual act, including but not limited to rape, sexual assault, sexual battery and sexual coercion. Sexual Violence also includes Relationship Violence.

Examples of Sexual Violence include, but are not limited to:

- Non-Consensual sexual contact: touching, with any body part or object, another person's intimate parts (e.g., genitalia, groin, breast, buttocks), whether clothed or unclothed.
- Non-Consensual sexual intercourse: oral, anal and/or vaginal penetration, to any degree and with any body part or object.
- Compelling a person to touch their own or another person's intimate parts without Consent.

## **Stalking**

Any knowing or intentional course of conduct involving repeated or continued following, threatening or intimidating another person by telephone, mail, electronic communication, social media, in person, or by any other action, device or method when such conduct 1)

would cause a reasonable person to suffer substantial emotional distress or fear of bodily injury or death and 2) actually causes such person substantial emotional distress or fear of bodily injury or death.
