Residence Life Living

The Department of Residence Life and Housing is a member of the Division of Student Affairs. Students attending Tennessee State University are encouraged to live in University Housing as it allows students to be closer to academic resources and broadens that university experience. To cater to the many needs of our students, we offer single sex, co-ed, and apartment-style living; all full-time enrolled students are eligible to live on campus.

Students are required to comply with all Tennessee laws, rules, regulations, policies and procedures of the Tennessee Board of Regents, as they relate to the TSU Code of Student Conduct and the Tennessee State University Housing Agreement. The provision of this policy shall be incorporated by reference to each student's residence agreement.

This booklet will provide you with information that will make your matriculation and on campus experience at Tennessee State University successful.

A University Housing facility is a densely populated community of citizens having diverse interests and habits. 3. If an emergency exists, ACTIVATE the building alarm. CAUTION: The building alarm rings only in some buildings; you must ALSO report the fire by telephone.
4. For large fires that do not appear controllable, IMMEDIATELY notify the Fire Department and the Campus Police, then evacuate all rooms, closing all doors to confine the fire and reduce oxygen. **DO NOT LOCK DOORS.**
5. When the building evacuation alarm is sounded, an emergency exists: walk quickly to the nearest marked exit and ask others to do the same.
6. ASSIST THE HANDICAPPED IN EXITING THE BUILDING! Remember that elevators are reserved for handicapped persons. **DO NOT USE ELEVATORS IN CASE OF FIRE.** Smoke is the greatest danger in a fire, so stay near the floor where the air will be less toxic. **DO NOT PANIC!**
7. Once outside, move to a clear area that is at least 500 feet away from the affected building(s). Keep streets, fire lanes, hydrants and walkways clear for emergency vehicles and crews. Know your area assembly points.
8. If requested, assist emergency crews as necessary.

NOTE: If you become trapped in a building during a fire and a window is available, place an article of clothing (shirt, coat, etc.) outside the window as a marker for rescue crews; if there is no window, stay near the floor where the air will be less toxic. Shout at regular intervals to alert emergency crews of your location. **DO NOT PANIC!!!**
