

Living this value is inconsistent with:

- Behaving in ways that cause others emotional distress, threaten or discourage the freedom, personal safety, and respect that all individuals deserve

As a member of this community, I will value diversity and learn from diverse people, ideas, and situations.

Living this value looks like:

- Understanding that differences in gender, socioeconomic status, ethnic background, race, culture, religion, sexuality, physical abilities, and other differences are rich opportunities for learning about other people, the world, and myself
- Working to understand and overcome personal, institutional, and societal biases, injustices, prejudices, and stereotyping
- Being fair, assigning benefits and burdens to people according to consistent, equitable, and just criteria

Living this value is inconsistent with:

- Harassing or threatening other members of the community
- Using degrading language toward any person or toward members of a specific group
- Arguing or hampering my community's right to the communication of ideas and ideals just because they don't represent my own
- Validating unequal behavior toward a person because of gender, socioeconomic status, ethnic background, race, culture, religion, sexuality, physical abilities, and/or other differences
