Adam Martinez

Dear Adam Martinez

Uvalde Consolidated Independent School District always wants to provide the safest environment for our students, staff and community members. As the Superintendent of this District, I am sending this letter as notification, effective **immediately**, that you are not allowed to enter any Uvalde Consolidated Independent School District Schools or its property. This action is taken as a direct result of your behavior on February 13, 2023. A verbal warning was given at the time of the incident that if the behavior did not change, you would be removed from the meeting, and you may be denied access for up to two years. Your behavior had the effect of disrupting and/or disturbing the normal educational functions of this school. The Texas Education Code, Chapter 37; 19 Texas Administrative Code, Section 103.1207; and Board Policy gives Districts the authority to:

- Expect and enforce the appropriate conduct of staff, students, and visitors.
- Deny access to a campus building or District property if the visitor does not have a legitimate reason to be there or if the behavior warrants the action.
- Request visitors with unacceptable behavior to leave the school grounds or a school function.
- Request assistance of SROs or law enforcement if a visitor(s) refuses to leave or cooperate.

Failure to comply with the restrictions in this letter can result in your arrest for the offense of trespassing. If you need to conduct any official business at any campus such as parent/teacher conference, you may call me at the district office number to schedule an appointment to talk. Any parent/guardian of a student who is currently qualified for 504 or special education will be accommodated to participate in 504 or ARD meetings. If you wish to review this notice or to challenge the allegation that was causing a disruption, you may contact me, and I will review the process with you.

The effective date is February 13, 2023 and will be reviewed on February 13, 2024.

Please contact me if you have any questions or need further clarification of my findings.

Sincerely,

Gary Patterson
Superintendent
