RE: Martinez v. Uvalde Consolidated Independent School District, et al.

Dear Messrs. Morris, Fitzpatrick and Zeman:

We are in receipt of and have reviewed your letter dated June 29, 2023. While it is clear that the parties do not agree as to the legality of Mr. Martinez's actions at the February 13, 2023, meeting of the Board of Trustees, because Mr. Martinez has affirmed that he has read and has agreed to follow the Board's policies governing conduct at school board meetings, he may resume attending Board meetings, effective immediately, and subject to the same rules applicable to all attendees. Please be advised, and advise Mr. Martinez, that future reoccurrences of behaviors documented in the police report from the February 13, 2023, Board meeting could result in the trespass warning being reinstated.

Sincerely,

KATIE E. PAYNE
