

Use of Campus Property and Facilities	
Responsible Official: Vice President for Student Affairs	Responsible Office: Student Affairs / D.P. Culp University Center

**Policy Purpose**

The purpose of this policy is to set forth East Tennessee State University’s policy regarding the use of campus property and facilities.

**Policy Statement**

East Tennessee State University (ETSU) regulates the use of its campus property and facilities in order to be consistent with the University mission and educational purpose through the implementation of reasonable, content/viewpoint neutral regulations. This policy, and all campus policies developed in compliance with the policy, shall be implemented and construed so as to ensure no undue disruption of that mission, promote an educational atmosphere on campus; prevent commercial exploitation of Students (defined herein below); preserve residential tranquility, and prevent use of campus property and facilities contrary to federal, state or local law, regulation, or the rules and policies of the ETSU Board of Trustees (“Board”).

ETSU recognizes the importance to the educational process and environment for persons affiliated with the University including officially recognized student organizations and other groups to have reasonable access to, and use of, the educational facilities on campus, to hear various views. Simultaneously, ETSU facilities are not open public forums, but are instead solely for use consistent with the advancement and orderly administration of its educational mission for the benefit of its Students, staff, and Affiliated Groups and Individuals (defined herein below). As such, ETSU does not ordinarily make its buildings or other facilities available to Non-Affiliated Persons (defined herein below). Exceptions may be made only if the proposed use is consistent with this policy and institutional policy and mission.

**I. Access to Campus and Use of Property or Facilities**

- A. Access to and use of campuses, facilities, and property of ETSU is restricted to the institution, institutional administration for official functions, Normal Educational Activities, Affiliated Persons, and Invited Guests of the institution except as specifically provided by this policy; when part or all of a campus, its buildings or facilities are open to the general public for a designated time and purpose, or when use by Non-Affiliated Persons has been granted or approved pursuant to the provisions of this policy.
- B. All persons on the campus, including faculty, staff, Students, and guests, shall be subject to all applicable rules and regulations of the University, the Board of Trustees, and to all applicable federal, state laws and regulations. In addition, all persons who operate motor vehicles on the campus agree by such operation to be subject to University and Board rules, regulations, policies and procedures on traffic and parking.

- C. All persons on the university campus must provide adequate identification, upon request, to any university official and/or security personnel. University personnel and Students who refuse to provide such identification may be subject to disciplinary action. Other such persons who refuse to provide such identification may be requested to leave the campus. Should they refuse, they may be subject to lawful removal and prosecution.

## **II. General Conditions for use of Property or Facilities**

- A. Use of campus property and facilities, as detailed in this policy, is subject to limitations on the number of persons who may attend in accordance with appropriate building regulations, fire codes, and safety standards.
- B. All regulations and policy statements that relate to the conduct of assemblies, meetings and demonstrations of Affiliated Persons also apply to all Non-Affiliated Persons and to individual use.
- C. Sound amplification equipment may be used by entities and individuals at assemblies, meetings, and demonstrations only when prior approval has been granted by the University. Such sound amplification is subject to reasonable regulation by the University with respect to time, place, manner, and volume.
- D. University equipment may be used in connection with the use of campus property and facilities only with the approval of, or under the supervision of, approved University personnel.
- E. The University has an established system in which Affiliated Persons are given priority in the use of property and facilities (see Appendix IV).
- F. All reservations and usage must comply with the University's designated food service provider contract. All food and beverage vending is handled through the designated University vending services contractor.
- G. Campus property and facilities may not be used by Non-Affiliated Persons for the conduct of profit-making activities except when a rental or lease agreement is negotiated and entered into with the University. Rental rates are generally based on the fair market value of providing the property, facilities, equipment, and service used and includes overhead, depreciation, utilities, maintenance, and security expenses. Rental charges may be based in part upon a fixed percentage of the gross receipts of the activity (see Appendix VI), with a minimum rental fee being charged. The University reserves the right to reduce or waive rental charges for such use depending upon the nature and extent of the proposed use. The University permits short-term rental/lease agreements with both Affiliated Persons and Non-Affiliated Persons for use of campus property and facilities.
- H. H. Students, faculty, and staff acting independently of an Affiliated Entity may apply for use of facilities as an Affiliated Person in accordance with these policies and procedures.

- I. All rental agreements between the University and Non-Affiliated Persons will be processed and approved by the designated university officials. Such agreements shall not exceed four (4) months in length and may only be renewed or repeated after review to determine that such use does not conflict with an institutional need for the facility/space.
- J. The University may require Non-Affiliated Persons who use campus property or facilities to provide the following:
  - 1. An adequate bond or other security for damage to the property or facilities during the period of use.
  - 2. Personal injury and property damage insurance coverage.
  - 3. A performance bond guaranteeing performance of its obligations under the contract.
  - 4. Other types of insurance in such amounts as may be designated by the institution.The University may waive these requirements of security, performance bond, or insurance coverage at its discretion.
- K. The sponsoring organization must supply a certificate of liability insurance in the amount of one million dollars (\$1,000,000) (minimum) naming the University as an additional insured party, except to the extent the Tennessee Code Annotated (T.C.A.) specifies a lesser amount as the maximum liability (tort limit). To the extent permitted by law, the University may in its sole discretion require insurance and/or a performance bond, if it determines there may be a concern for personal or public health or safety. Factors used to determine the requirement of insurance and/or a performance bond include, but are not limited to, the nature and use of particular facilities, the age of event participants, and the anticipated event size or attendance for any use of campus property and/or facilities. If insurance and/or a performance bond will be required, appropriate levels of coverage and minimum limits shall be enumerated pursuant to contract. Proof of compliance with this provision may be required in advance of an event. This provision shall be applied and enforced in a content/viewpoint neutral manner.
- L. All users agree, by making application for use of facilities for an activity and by subsequent use after approval by the University, to indemnify the University and hold it harmless from any and all liabilities arising out of such group's, organization's, or individual's use of the property, facilities, equipment, or services of the University, including, but not limited to, personal injury, property damage, court costs and attorney's fees.
- M. Affiliated Persons may be assessed the incurred costs of providing the property, facility, equipment, or services required based upon use of campus property or facilities, and on a content viewpoint neutral basis.
