Valdosta State University is a learning environment based on trust and mutual respect in which open dialogue, vigorous debate, and the free exchange of ideas are welcome. The University is equally dedicated to the core values of community, including a commitment to practice **civility, integrity, and citizenship**. As members of this community, and proud Blazers, we will strive to uphold these core values for the advancement of the University.

Integrity – Each Blazer is responsible for his or her own actions, and our community is stronger when we contemplate the context of our decisions and uphold the principles of trust and honesty.

Citizenship – Every Blazer has an interest in the well-being of the community, and, therefore, a duty to stay informed, to make positive contributions, and to offer support to those who need help.

As a Blazer, I pledge to uphold the core principles of **Civility, Integrity, and Citizenship.**
