In light of the allegations raised, the latter is an important measure to ensure no further concerns are raised. Similarly, I request that you refrain from coming to campus as we proceed with the Faculty Code process. As inconvenient as this is, it is a form of protection for you, once again, that will avoid any hint of heightened concern related to the allegations that have been made against you. If you need to come to campus, please let Larry Yaffe and Peter Denis know so that they can work with you to ensure that your time on campus is brief and well-orchestrated.

>>> I am away from my office this week but will look forward to consulting with you when I return as is required under the Faculty Code. This will be a Zoom meeting, and Peter Denis will attend with me. I have copied my assistant, Julianna Jones, so that she can help us schedule the meeting for the week of November 13.
