

For purposes of this policy, the term trademark shall include all trademarks, trade names, seals, symbols, slogans, emblems, designs, and logotypes developed by or associated with the University System or any of its institutions or representatives of the same, whether registered, or not yet registered by the Board of Regents under federal and state trademark statutes.

6.3.6 Filing of Institutional Policies

Each institution shall file its Intellectual Property policy with the Office of Legal Affairs in the University System Office.

The Board of Regents is unalterably opposed to political interference or domination of any kind or character in the affairs of any University System of Georgia (USG) institution. Accordingly, USG institutions shall remain neutral on social and political issues unless such an issue is directly related to the institution's core mission.

Equal opportunity and decisions based on merit are fundamental values of the University System of Georgia (USG). The Board of Regents prohibits discrimination on the basis of an individual's age, color, disability, genetic information, national origin, race, religion, sex, or veteran status ("protected status"). No individual shall be excluded from participation in, denied the benefits of, or otherwise subjected to unlawful discrimination, harassment, or retaliation under, any USG program or activity because of the individual's protected status; nor shall any individual be given preferential treatment because of the individual's protected status, except that preferential treatment may be given on the basis of veteran status when appropriate under federal or state law.
