**PERSONAL AND CONFIDENTIAL**

Regarding Case Number: 2025264205

Dear Ašiihkionkonci:

The purpose of this correspondence is to notify you that on October 16, 2025, Student Conduct & Conflict Resolution (SCCR) received information which indicates that you may have violated the Student Code of Conduct (<https://www.colorado.edu/sccr/>). According to the information received, you allegedly engaged in the following behavior:

*SCCR received an incident report on October 16, 2025 and a follow-up email on October 17, 2025 from Erin Harrell, a CU Boulder staff member serving on the Student Engagement Response Team (SERT) describing an event they witnessed at the Career Fair occurring in the University Memorial Center (UMC) Ballroom on October 16, 2025. It was reported that at approximately 12:30pm a group of 10 students, wearing shirts stating, "Lockheed Kills Kids Do You Want Blood on Your Hands" or "Divest from Death", were linked arms forming a circle in front of the Lockheed Martin booth. It was reported that several other students were filming the students with linked arms. At approximately 12:40pm, students began chanting. It was reported that students were asked to leave and were informed that chanting was not allowed per UMC building policy and Career Fair Expectations. Harrell, CU staff member Montez Butts, and Colorado Boulder Police (CUPD) asked students for their IDs but no students provided ID. It was reported that students continued to chant and left the Ballroom. Harrell's report states that a more comprehensive report will be submitted to SCCR when it is complete. Harrell also provided CUPD case number 25-1946. Only the case number was provided to SCCR in this report.*

*Attached to Harrell's incident report were photos of 2 sandwich boards outside the Ballroom. One sandwich board contained a QR code directing to the Campus Use of University Facilities (CUUF) Procedures and the other sandwich board listed UMC Building Policy Prohibited Activities.*

*Attached to Harrell's follow-up email were 2 photos of students with linked arms forming a circle. The text on the shirts includes, "Lockheed Kills Kids Do You Want Blood on Your Hands?" or "Divest from Death."*

*It was reported that your participation was confirmed after your name was cross checked with*

*attendees having used their BuffOne card to enter the Career Fair.*

*Specifically, it was reported that you were filming the circle.*

This alleged behavior may be in violation of the Student Code of Conduct, specifically:

- F6. Failure to Comply

Failing to comply with the direction of CU Boulder officials who are performing their duties. Students are required to comply with instructions or directions given by a CU Boulder official, including, but not limited to, an instruction to present identification or a no contact directive from SCCR.

Materially and substantially interfering with, obstructing, or disrupting a CU Boulder activity.

a. CU Boulder activities include, but are not limited to, all typical CU Boulder activities, such as teaching, learning, research, Residence Life activities or operations, recreation, meetings, public events, and disciplinary proceedings.
