Dear Dr. Kershner:

This letter rescinds my letter of July 20, 2006.

Based upon the positive recommendations of your Department Chair, Dean, and the Vice President for Academic Affairs, and upon a review of a personnel file containing six months of additional professional materials, I am pleased to inform you that you have been promoted to the rank of Full Professor in the Department of Philosophy effective September 1, 2006.

I am also pleased to tell you that in recognition of this promotion, your annual salary will be increased by \$2,000.
