Re: Students for Life

Dear Mr. Creeley

University of Arizona President Robert Shelton asked that I respond to your letter dated March 15, 2010, regarding official club recognition of Students for Life (SFL) by the Associated Students of the University of Arizona (ASUA). At the outset, let me address your client's recent inability to access ASUA's Student Organization Handbook either on-line or at ASUA's office. Your letter correctly notes that the Handbook was temporarily taken down from ASUA's website while it was undergoing revisions, including changes to the section entitled "Student Organization Categories." Due to the number of revisions being made to the website, it will not be available until Monday, April 5, 2010.

In light of this revision in particular, I urge your client to resubmit its recognition application after April 5, 2010 using an organized category that it believes is most applicable. Upon receipt, ASUA will process SFL's application in an expedited manner and will revisit its recognition decision if appropriate.

Thank you for bringing this matter to our attention.

Sincerely

Bill Shiba
