Hello Christopher,

Please see your event confirmation below. You have been assigned the North-West corner of McMicken Commons, however you are not permitted to walk around.

Also note, that your event was approved despite our 5 Day Business Policy. In the future, this will not be allowed. Therefore, make sure you put your event request in 5 Business Days before your desired date.

Review the Event Guide and Policies link below for important policies and processes involved with your scheduled space.

<http://www.uc.edu/content/dam/uc/eventservices/docs/Confirmation%20Notice.Policy%20and%20Process.pdf>

If you have any questions please contact Conference & Event Services at 556-

2442.

Thank you,
Conference & Event Services

Ohio Workplace Freedom Amendment

2012-ABFRNG

Event Type: Demonstration
Event State: Confirmed
Description: >Our student group, Young Americans for Liberty, would like to gather signatures and demonstrate our support for an initiative
>
>the Ohio Workplace Freedom Amendment>. Given the extremely time-sensitive nature of the signature-gathering process (we need to get approximately 385,000 signatures by July 9) we need to begin gathering signatures, demonstrating our support of the initiative, and discussing the initiative's merits with our fellow students on UC's campus immediately.>
>
>We will need to gather signatures, talk to fellow students, and express our support for the initiative, both inside the Free Speech Area within McMicken Commons and also on sidewalks and open outdoor spaces beyond the Free Speech Area. We plan on doing this continuously, on a weekly basis, in order to help meet the signature requirements by the deadline. We will not block access to UC buildings or sidewalks, use amplified sound, impede vehicular or pedestrian traffic, or in any way substantially disrupt the operations of campus or UC's educational functions.

Confirmation: Outdoor Events Sponsoring organizations are responsible for all fees resulting from outdoor events. These may including but are not limited to; Security, Electric, Grounds, and citations. Grounds: The Grounds department is responsible for the cleaning of campus for all events taking place on campus that are scheduled through Conference & Event Services. Grounds will determine and supply the amount of trash cans needed for events based on the estimated number of attendees for that event. Grounds will also estimate the

number of hours required to clean up after the event based on the numbers and the type of event being held. The expense amount estimated for events is the maximum that can be charged without a change order, and if less time is involved, the charges will be less. If a group does police the area prior to our arrival for a clean-up, it will reduce the actual expenses incurred. Bagging and placing trash in one area for pickup will reduce costs. Grounds' does not handle the set-up for your event. Grounds will leave the trash cans with liners installed in a staging area for groups to disperse as needed based on the set-up. Vehicles: Vehicles are no longer permitted on the pavers on TUC Plaza or Bearcat Plaza; this includes any loading or unloading. If vehicles are driven onto the pavers without permission they may be subject to a citation. Vehicles are also not permitted to drive on any lawn. This includes any vendors your organization has contracted with. Tents: If a tent is being erected, you are required to obtain a tent permit. Groups are responsible to obtain a dig permit if the tent is being staked into the ground. Please see the attached policy for details. Groups need to coordinate placement of the tent with Harland Clark in Grounds at 513-556-3606. If the tent is not coordinated in advance, and damage occurs as a result of your event, the organization sponsoring the event will be charged for repairs. Please note: If tents are being used we request that they not be staked into the ground if at all possible. Electric: Groups are responsible to place their own work order, see attached, if electric is needed for the event. If a work order has not been placed in advance electric will not be supplied. Fire/Grills: If grills are being used you are responsible to obtain a grill permit in advance by calling Fire Prevention at 513-556-4992. If a permit is not obtained you may be subject to a citation. Amplification: Groups are not permitted to amplify unless a permit has been obtained from Conference & Event Services in advance. If a permit is not obtained you may be subject to a citation. Security: Please contact Public Safety, at 513-556-4923, to determine if security is necessary for your event. If security is deemed necessary, you will be billed afterwards based on how many officers are assigned. You may request a cost estimate for security at http://www.uc.edu/publicsafety/special_events/EventSecurityCostEstimate.html Please note: If a vendor, group member, or participant in the event cause damage to the lawn or property, the sponsoring group will be charged for repairs.
