Dear Mr. Baron:

RE: <http://thedarksideofucsb.com/>

Thank you for the modifications that you've made to your web site, <thedarksideofucsb.com>. I believe, at this time, there is no potential for confusion that your site is affiliated with the University of California, Santa Barbara, which was the concern that prompted my letter to you, November 19, 2004. Accordingly, the campus doesn't intend to pursue this matter further.

Sincerely,

A handwritten signature in cursive script, appearing to read "Meta Clow".
