Mr. Robert L. Shibley
Program Manager
Foundation for Individual Rights in Education
601 Walnut Street, Suite 510
Philadelphia, PA 19106

Dear Mr. Shibley:

Thank you for your October 27, 2005 letter. The University has launched a review of all of its policies on the use of public space at the University and how groups and individuals that seek to access public space at the University are managed. Inherent in this review is the requirement to, where appropriate; identify current policies that need to be updated and any additional policies that do not now exist.

We have every expectation this faculty led committee will provide the recommendations necessary to ensure the individual rights of all individuals and, where appropriate, recommend changes to current policies. Your perspective on current policies, as contained in the letter, is appreciated.

Sincerely,
