Chris Robinson
Worner Box 1090

Dear Chris,

This letter is to inform you of the results of an appeals panel hearing regarding your appeal of the discipline letter issued to you on March 25, 2008.

The panel has reviewed all of the documents submitted for the case; they have also listened to the recorded testimony which was presented to the Student Conduct Committee. After this thorough review, the panel is unanimous in finding the charge of bias in the original decision to be unsupported; they are also unanimous in their support of the original finding of responsibility.

All letters concerning this matter will be removed from your file upon your graduation from Colorado College. If you have any questions regarding this letter, you can contact me in the Student Life office by calling 719-389-6684.

Sincerely,

Mike L. Edmonds
Vice President for Student Life/Dean of Students
