Dear Mr. Kissel:

This letter is to inform you, that upon my return from vacation this week, I reviewed your letter of July 1, 2009. The information as stated in your letter is not correct, as there is no ban on the part of the college at this time. While it is true that our concern remains over misrepresentation of the college in privately used domain names, it is not our intent to pursue individual cases through legal means. The letter sent by Ms. Rudolph internally to the college community was done so in an effort to stop unofficial use of the college's name.

It is my hope that this response clarifies our intent.

Sincerely,

A handwritten signature in cursive script that reads "Robert F. Agrella".

Robert F. Agrella  
Superintendent/President
